Subject: UFO FIGHTING 27 Dec 80

File  
12/2/1  
61

1. We discussed and I agreed to forward copies of relevant correspondence

2. Regrettably, the tasking letter from MoS referred to an incident on 29 Dec 80, therefore the replies from Nectonhead and Gasken bases are probably worthless. Unit radio recordings are not held for 4 years, consequently we are back where we started!
