UFO SIGHTING - RAF WOODBRIDGE DECEMBER 1980

1. You may recall that in December 1980 two USAF security patrolmen saw unusual lights at the back gate of RAF Woodbridge and on investigation found a brightly lit triangular object either hovering or on legs.
2. You began investigations into the incident and suggested asking the USAF for tape recordings (your D/DD Ops(CE)/10/8 of 16 Feb 81 refers) but unfortunately our files do not appear to show the outcome of your investigations.
3. I attach a copy of a letter received from one of our more regular UFO correspondents in which she seeks advice as to the Ministry's position on this incident. I am inclined to say that we are aware of the incident, that we made investigations but that we could find no explanation for the lights. Is this a true reflection of the facts or did we, in fact, come up with anything more substantive?
4. Any help you could give in replying to Miss Randle's letter would be much appreciated.
